Sub : Approval to the proposal of M/s. National Institute of Engineering Society to establish a facility for “Engineering Education” at Adakanahalli Industrial Area, Mysuru District.

Read : 1) Proceedings of the 48th Land Audit Committee (LAC) meeting held on 12.02.2018.
2) Proceedings of the 107th State Level Single Window Clearance Committee (SLSWCC) meeting held on 15.02.2018.

PREAMBLE :

M/s. National Institute of Engineering Society has proposed to establish a facility for “Engineering Education”, with an investment of Rs. 207.00 crore, generating employment to about 1070 persons in an area of 50 acres of land at Adakanahalli Industrial Area, Mysuru District.

The proposal has been examined in the 48th LAC and the Committee noted the request of the Institute and also noted that several manufacturing industries with large investments have been allotted land in Adakanahalli Industrial Area and many of them have started implementation.

Further, there are many references by projects showing their interest to establish their manufacturing facilities in Adakanahalli Industrial Area. This project proposal of NIE Society to establish ‘Engineering University’ within an Industrial Area would not be in their interest as Education Institute needs a silent and secluded zone. Hence, the project proponents were informed to identify alternate land elsewhere near Mysuru so that they can procure the same under the provisions of section 109 of KLR Act.

The representatives of the Institute informed that they were ready with the project and wanted to implement it at the earliest and also they are not in a position to identify alternate land or negotiate with the land owners since it is time consuming and lengthy process and requested for allotment of ready KIADB land in Adakanahalli Industrial Area.

With the above observation, the Committee decided to defer the subject.

The proposal was examined, noted the findings of 48th LAC & approved in the 107th SLSWCC Meeting held on 15.02.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 59 SPI 2018, BENGALURU, DATED 23.02.2018

- 1) Proceedings of the 50th Land Audit Committee (LAC) meeting held on 01.03.2018.
 - 2) Proceedings of the 109th State Level Single Window Clearance Committee (SLSWCC) meeting held on 02.03.2018.

PREAMBLE :

M/s Elite Projects has proposed to establish “Affordable Housing” project with an investment of Rs. 163.08 crore, generating employment to about 100 persons at Hardware Park, Bengaluru.

The proposal of the firm has been placed in the 50th Land Audit Committee meeting held on 01.03.2018 and the Committee noted that the promoters have limited knowledge of the activity proposed and also the financials provided by them do not support implementation of the project. It was noted that sufficient land has been allotted for housing in the park and in view of high demand for industrial activity it may be appropriate to reserve the available land for industrial activity. The Committee after detailed discussions, resolved to recommend to SLSWCC to not consider this project proposal for approval.

Accordingly, the subject was taken up for discussion in the 109th State Level SLSWCC meeting held on 02.03.2018. During the discussion, Commissioner for I.D pointed out that sufficient extent of land has already been allotted for housing in this Park and in view of high demand for industrial activity, it may be appropriate to reserve the balance available land for industries. He also mentioned that the promoters have no experience of independently executing projects of the size proposed. Chairman of the Committee felt that women entrepreneurs need to be encouraged to start independent ventures and hence this project needs to be encouraged.

The committee, after discussing the project details and keeping in view the land utilisation details, approved the project proposal.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 81 SPI 2018, BENGALURU, DATED: 08.03.2018

No.DPAR 4 STR 2018, BENGALURU, Dated:27.01.2018.

Sub : Implementation of the directions of the Hon'ble High Court regarding premature transfers of Government Servants.

Ref : Government Order No. DPAR 22 STR 2013, Dated: 07.06.2013.

Guidelines regarding transfer of Government Servants have been issued by the Government in Government order No. DPAR 22 STR 2013, dated: 07.06.2013.

Para 9 of the aforesaid Government Order dated: 07.06.2013 emphasizes the various conditions that have to be adhered to before issuing premature/delayed transfers.

Para 9a envisages that the minimum period of stay at a place as prescribed in Para 8 of the above order can be reduced and the concerned Government servant transferred prematurely if the competent authority feels that he/she is not suitable for discharging the duties at the present place and the reasons are recorded to this effect in writing.

Para 9b categorically states that before effecting any premature transfer of Government servants for the reason stated in Para 9a, prior approval of the Hon'ble Chief Minister must be obtained without fail by the concerned Administrative Department of the Secretariat **if the transfers are to be made beyond the general transfer period**. The Principal Secretaries/Secretaries to Government should not under any circumstances issue transfer orders and later seek ratification/post facto approval of the Chief Minister.

Considering the continued violation of the transfer guidelines, it has become necessary to issue strict instructions to ensure that

- a) no Government Servant is transferred prematurely in contravention of the transfer guidelines.
- b) no order shall be issued in violation of the above said guidelines.

Any violation shall be viewed seriously and the person responsible will be made accountable.

11,790 crore and generating employment to about 500 persons at Tallur, Karalakatti, Basidonidoodi and other Villages of Saudatti, Ramadurga, Khanapura, Bailahongal, Gokak, Kittur and Belgavi Taluks in Belgavi District.

The proposal of the company has been placed before the 50th LAC meeting held on 01.03.2018. The representatives of the company appeared before the committee and highlighted the project proposal. They informed that they need 4600 acres of land for 1000 MW Solar Project, 1100 acres of land for 400 MW Wind Energy project and 300 acres of Forest land for Pump storage to generate 600 MW Hidrel energy. The representatives submitted that all provision of land revenue laws would be complied while procuring land U/s 109 of KLR Act. They mentioned that most of the land identified for the project is dry land without substantive cultivation. Even the reserve forest land is having sparse vegetation.

The committee after detailed discussions, resolved to recommend to SHLCC for approval of the project proposal of M/s. Greenko Solar Energy Pvt., Ltd., to establish "Renewable Energy project in 6000 acres of land to be purchased U/s 109 of KLR Act in various Sy. Nos. of Tallur, Karalakatti, Basidonidoodi and other villages of saundatti and Ramadurga Taluk, Belgavi District.

The Proposal was examined and approved in the 51th SHLCC Meeting held on 02.03.2018.

Government has examined the recommendations made by the SHLCC in all aspects.

Hence the following order.
